As a Board member you would:

2. Participate in at least one program review each year.
3. Attend the Annual Retreat.

If you are interested in applying to the Board, please call Helynna Brooke or Loy Proffitt at the Mental Health Board office at 415/255-3474. They welcome your questions, and will send an application packet to you.

You don't have to have lots of policy experience to be a valuable member. What matters is that you care deeply about making sure that the best possible services get to everyone who needs them. New members get lots of support from our veteran members and our staff. And you get to know a lot of great people.
